Weckln Sentinel.

INDIANAPOLIS:

MONDAY MORNING, FEB. 18, 1856.

Peace Prospects. Late intelligence from Europe renders it end. An armistice or truce is already agreed by one, like "leaves in wintry weather," but on, and negotiations for a settlement of the they bear their fate with a composure and a difficulties will probably be successful.

A great State Convention of the De. uttered-not a syllable of surprise expressed. persons. Many eminent public men, from It is said that the President has declared all parts of the Union, were present, among his determination to provide places in the whom were Hons, S. B. MILLER, of Califor. Departments for all, who are dismissed at the of South Carolina, Gen. Joseph Lane, of Know-Nothings in them, who, as a general racy with a full hope of success.
